How do we keep our students in school?

It is possible if we ALL follow these simple steps:

**GET VACCINE**
- Get vaccinated if older than 5.
- Get a booster if older than 12.
  - Click here to upload your child’s vaccination card, if fully vaccinated.
  - Click here for vaccination information in RI.

**WEAR a MASK**
- Wear a well fitted mask that covers nose and mouth.
- Use a surgical mask if possible.
  - Click here for a guide to masks.

**GET TESTED**
- ICS is offering regular testing to help protect everyone and keep school open.
  - Click here to give your consent to test your child at school.

**Keep SOCIAL DISTANCING**
- Avoid large social gatherings.

**STAY HOME**
- If your student has any one symptom.
  - Click here to report student’s absences.

**Be the match that stayed back and saved the rest...**
